

Make your own Rebel Teddy:

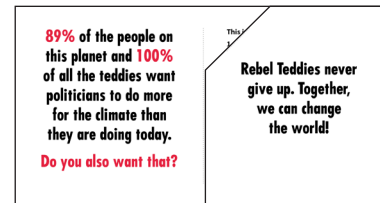

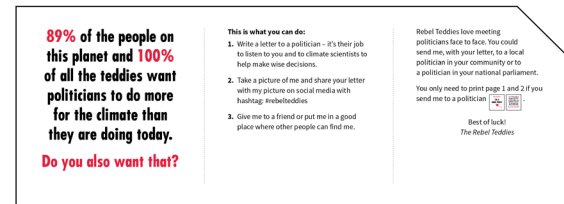

1. Find a cuddly toy. Second-hand shops usually have a lot of them. It doesn't have to be a bear, it can be any kind of cuddly animal.
2. Tie a red scarf or ribbon around its neck.
3. Print out page 2 of this pdf.
4. Fold the paper in two from top to bottom.

5. Cut off the corners along the dotted lines.

6. Fold the paper in three. Fold the right-hand side towards the middle first (along the dotted line). Then fold the left-hand side towards the middle in the same way. Finally fold it again.

7. Make a hole in the note for some string/wool/thread and tie the note around the teddy's neck. Now, your teddy is ready for its mission!

Rebel Teddies never give up. Together, we can change the world!

Rebel Teddies (@rebellallarna) started in Sweden October 2025.

Love from Rebel Teddies
all over the the world!

**Rebel Teddies never
give up. Together,
we can change
the world!**

Do you want to make your own
Rebel Teddy?

Download instructions:
www.rebelteddies.com

Take me home!

**I'M A
REBEL TEDDY**

Do you also want that?

**89% of the people on
this planet and 100%
of all the teddies want
politicians to do more
for the climate than
they are doing today.**

- This is what you can do:**
1. Write a letter to a politician – it's their job to listen to you and to climate scientists to help make wise decisions.
 2. Take a picture of me and share your letter with my picture on social media with hashtag: #rebelteddies
 3. Give me to a friend or put me in a good place where other people can find me.

Best of luck!
The Rebel Teddies

Rebel Teddies love meeting politicians face to face. You could send me, with your letter, to a local politician in your community or to a politician in your national parliament. You only need to print page 1 and 2 if you send me to a politician
